how to assign a video project

Assigning a video project to your class can be done in just a few clicks, no training required!

step 1

The screenshot shows a web interface for selecting a project. At the top, there are two dropdown menus: the first is set to '11-12 Years' and the second is set to 'Geography'. To the right of these is a search bar with the text 'search'. Below the filters, there are four small thumbnail images representing different projects. The first project is titled 'The environment in 30 years' and has a blue 'view' button next to it. Below the thumbnails, there is a description of the project's outcome and task.

step 2

The screenshot shows the assignment interface for the selected project. At the top, there are three buttons: 'back', 'print & preview', and 'assign now'. Below these is a section titled 'ASSIGN TO' with a text input field containing the email address 'john@example.net,jane@example.net,...'. Underneath is the project title 'GEOGRAPHY | THE USES OF GEOGRAPHY 11-12 YEARS | BUC11-12 - Changes in Geographic Contexts' and a description of the project. At the bottom, there is a rich text editor with a toolbar and the text 'The environment in 30 years'.
